

## 2017 Summer Corporate Banking Associate

### Corporate Banking at TD Securities:

TD Securities is one of Canada's most active dealers in Debt and Equity products. Corporate Credit is our team of in-house credit assessment professionals. They work closely with our Investment Banking and Sales and Trading teams, as credit is an integral part of many of our institutional client initiatives. Our credit team is involved in the origination of business and responsible for the analysis, risk assessment and ongoing monitoring of these credit transactions.

At TD Securities, we believe that diversity is the key to our success in the competitive global marketplaces and we embrace people with a wide range of unique experiences and abilities.

### Your Summer as a Corporate Banking Associate:

- Opportunities to gain exposure to various industries, products and client groups
- Involved with the structuring of new credit, preparation of client presentations, preparation of credit applications, providing support related to client and transaction development, and supporting transaction execution

### How You Will Contribute:

- Assist with the development of financial solutions for clients, including review and comment on credit facility term sheets and timely completion of client presentations
- Assist Loan Syndications in preparing marketing materials for new deals and providing information to other lenders in the syndicate
- Prepare and recommend credit submissions including annual and interim client reviews
- Conduct appropriate market, industry and client research and risk analysis in support of the credit development and credit submission processes where appropriate
- Provide credit support to internal business partners including TD Securities trading functions, cash management and Trade Finance teams which require credit to operate
- Work closely with Investment Banking, and other product groups, including Equity Capital Markets, Debt Capital Markets, Derivatives, Cash Management and Foreign Exchange to ensure that cross sell opportunities are being developed and captured

### Qualifications:

- Graduating with an MBA in high academic standing in the Fall 2017 or Spring/Summer 2018
- Strong financial and analytical skills
- Excellent knowledge of MS Excel
- Superior verbal and written communications skills
- Previous Commercial, Research or Credit experience a strong asset

### Location:

- Toronto & Calgary
